Peace of Mind Every Time You Enjoy Your Vehicle

It is every car enthusiast's nightmare to breakdown on the side of the road, and even worse, having to abandon their "pride and joy" to get help. This scenario creates the wrong kind of attention from thieves, vandals, and the elements.

MEMBERSHIP IS FREE

Your free Driver Club membership includes roadside assistance that turns major breakdowns into minor disruptions.

SIGN & DRIVE PRIVILEGES

Unlike other programs, after receiving roadside assistance, you simply sign a form and drive away. There is no bill, no paperwork, and no out-of-pocket expense.

FLAT BED TOWING GUARANTEED

When your vehicle is disabled or cannot be safely driven after attempting any of the above emergency services, the vehicle will be towed (via flat bed upon request) to the nearest approved service provider.

JUMP START SERVICE

If your collectible auto won't start, we'll try to start it with a battery boost.

LOCKOUT SERVICE

If your keys are locked in your car, we'll send a service provider or locksmith to help you gain entry.

FLAT TIRE ASSISTANCE

We'll send someone to install your spare, and if you don't have a spare, your vehicle will be towed by a flatbed tow truck upon request.

FUEL DELIVERY

If you run out of fuel, we'll provide you with enough to reach the nearest open service station.

Frequently Asked Questions

How do I access the 24-hour roadside assistance?

A wallet card with the appropriate contact numbers is included with your Driver Club Guide. If your vehicle is involved in a non-accident disablement, please call 1-800-367-3836. One of our Approved Service Providers will be promptly dispatched to the location of the disablement. For accidents, please call Infinity Claims at 1-800-334-1661.

How much does the Driver Club membership cost?

Membership in Driver Club is free and automatic with every new and existing policy with Classic Collectors.

Will I be reimbursed for towing service if I pay for it out of pocket?

You can call the roadside assistance number and we'll pay the service provider directly for services. If you seek help on your own, we'll reimburse you for coverage up to the towing limits in your policy (\$100 in most states).

Is there a towing distance limit?

Your disabled vehicle will be towed to the nearest service provider. You can, however, ask that a disabled vehicle be towed to your home or a service provider of your choice (additional fees may apply).

Can I use Driver Club when I drive other vehicles?

Driver Club is limited to disablements of your collectible vehicles insured by Infinity Insurance Company and its subsidiaries.

Is my Driver Club card valid proof of insurance?

No. Infinity provides separate proof of insurance for each vehicle and it should be kept in your vehicle glove compartment at all times.

How reliable is the 24-hour emergency roadside assistance provider?

We have partnered with Cross Country Motor Club, the leading provider of third party roadside assistance. They have a network of 23,000 service providers to serve over 40 million customers nationwide.
